

Acquisition of Eden Médical

Development of the Healthcare Division

As part of its transformation plan "Transform To Accelerate - TTA 2.0", the Damartex group announces the acquisition of 62.5% of the shares of Eden Services by Santéol Holding.

Eden Services, is a home healthcare service provider (PSAD), specializing in respiratory assistance, known as Eden Médical.

This rapprochement will enable the fast development of Eden Médical in the greater Paris region (so-called *Ile de France*), thanks to the support of Santéol, particularly in oxygen therapy and noninvasive ventilation treatments. Santéol will also make its IT system and know-how available to Eden Médical, which will eventually become Santéol Ile de France.

Eden Médical, founded in 2014 by André Abikhzir and based in Croissy sur Seine (France), achieved a turnover of nearly €1.0M in 2020 thanks to the confidence of 1,400 patients who recognize the quality of service and the responsiveness of the teams in place.

Eden Services will be integrated into the Damartex Group's accounts as of 1 January 2021.
